RE: 8th Grade Graduation

Dear Parents and/or Guardians,

This letter is to inform of a decision that has been made regarding eighth grade graduation. The survey sent out in September showed that 68% of the respondents wanted to discontinue eighth grade graduation. The results were discussed with the school board, and the decision has been made to not continue to have eighth grade graduation.

With that being said, we still want to recognize our students for their accomplishments in the classroom, so we are still going to have a middle school academic awards assembly. The assembly will take place on Wednesday, May 15th, at 2:30 in the multipurpose gym. All parents are invited to attend to help recognize your students' academic accomplishments.

I want to thank you for your input into this decision and I look forward to working with you all again in the future. Keep up the great work with your students and your help in making Hamlin a great school!

Sincerely,

Jeff Sheehan
MS/HS Principal
