

Dear Parents and Guardians (and staff),

As you may or may not be aware, our district has lost an incredible teacher, parent, and community member. Shannon Jacobson has impacted our lives here in many ways from being our High School English teacher to her involvement in extracurricular activities such as the school plays and athletic programs. Her and her family will always be an important part of our school and we will all join together to support her family and friends in the upcoming days and weeks.

Our school counselors have created a reference sheet (attachment) to help you and your family navigate the loss and grief you or your child may be experiencing. The resource sheet includes how to communicate with your children about grief, resources to utilize, and mental health community resources.

Thank you for your support of our school district as we continue to work together to cope with this tragedy and loss. She will forever be remembered by us all and will continue to live on through everything she has done for our school district. Please feel free to contact the school if you have any concerns or questions regarding your child.
