

-----Press Release-----

During the spring of the year, we recognize the milestone that our early childhood students have reached. Therefore, Hamlin Education Center's Early Childhood Staff cordially invites all parents of 3-, 4-, 5-, and 6-year-old children (thinking of Pre-School-, Pre-School-, and Kindergarten-aged children) in the Hamlin School District to a School Transition meeting. To make that transition smoother, any concerned community members, including Head Start providers, Even Start providers, childcare/daycare providers, nursery school teachers, or any other citizen who works with children of that age group, are **highly** encouraged to attend this meeting. The meeting will occur on Tuesday, May 8, from 3:45 to 4:30 p.m. at Hamlin Education Center in Mrs. Noem's kindergarten room. We will be discussing the present early childhood programs offered to Hamlin School District's patrons, including benefits, curriculum, and outcomes of each program. Any questions can be directed to Gail Krause, Elementary Principal/Title I Director, Hamlin Education Center, at 783-3631.
